Welcome to week 8.

Thank you to everyone who gave their time to help sell raffle tickets at the Ridgelands Show last Saturday.

This week we are sending home some raffle tickets for purchase for the framed Melbourne Storm Jersey (away jersey) which has been signed by the 2015 team, which was kindly donated to the school by Cameron Munster, fullback for the Melbourne Storm.

If you wish to purchase these tickets, please return your money and the ticket butt to school. If you have any unsold tickets it would be appreciated if you could please return them to school also. Should you require any additional tickets please let us know and we will organise to have them sent out to you.

Unfortunately we were not able to organise a game with the North Rockhampton Special School to be played during the break at the Capras home game on 6th August 2016. However, some of our students will be participating in a skill building clinic instead. I hope many of you can come along to watch our students participate in this event.

Last Friday Cameron Munster paid us a surprise visit at school. He spent some time with students and it was great to be able to thank him for his support of our school.

Our PBS focus for the next two weeks is “I will include others during playtime”. It would be great if you could chat with your children about this topic and why it is important to be inclusive of others.

Have a happy and safe week.

Regards

Josie
Principal

CTC ROCKY RIVER RUN

The Rocky River Run will be held this Sunday 5th June 2016.

CTC has been handed responsibility for the organisation of the Rocky River Run by the Rockhampton Rotary Club and has expanded the event beyond the 5 key run/walk/wheel events to include plenty of entertainment, stalls, food and much more – including the presentation of trophies and massively increased prize money for event winners!

The event is particularly focussed on supporting young people who are experiencing, or are at risk of homelessness, as well as the prevention of youth suicide. It’s wonderful that so many people participate in the Rocky River Run as their way of showing allegiance and support for the young people of our community. CTC expects to be able to donate a considerable amount to important initiatives that directly address these serious issues being faced by young people.

This year, every registration from a school student will attract a $2 donation straight back to the student’s school!

Get your mates together and make sure you register so you can test your fitness, push for a PB, help your own school, and really show your support for young people doing it tough.

Register NOW – don’t leave it too late!

If you’re up for a fun slant on the Rocky River Run, why not participate in the Zombie Run, the day before? Head to: http://ctcrockyriverrun.com.au/ for more details and to register.
Transition 2

Every Monday Transition 2 students write about the weekend as part of their Four Blocks Literacy program. This writing is then put into a bound book.

On the weekend I went to Biloela show. I ate four dagwood dogs. I saw a lot of show cars. My sisters won ribbons showing.

On Thursday mum is bringing a cake to celebrate my birthday.

On Monday I used a computer at CPL.

On the weekend I replaced the fan belt in my car. The kids was a little bit tricky the car is now running well. I have also replaced the spark plugs.

On Saturday, there was a band called Gaz and Gazz, I did some dancing with Kelsie, Respyke and Samantha. I ate some chips and had a drink of ice water. I really like it there.
